

Terms and Conditions for Online Payment to DIT University, Dehradun:

Students can pay their fees online through student's portal link available on DIT University website.

Once "Pay" - option is selected you will be directed for payment through net banking or debit / credit card. You can choose the desired payment option and proceed.

Once the payment is successful, a payment confirmation will be received on student's mobile after deduction of payment. Student may check in the ledger for more details of transaction. The same is applicable to failure also. Student has to save and retain the same for reference. In case the payment is not successful due to any reason you will get a display on the status of failure of payment.

In case none of the above two happens, and there is a long delay in any response from the system, and if you have not proceeded with payment and not given the net banking or debit / credit card details, you may proceed from the beginning and start the payment process again. In case you have given all the net banking or debit / credit card details for payment, and have not got any response, please check with your bankers or credit card company and see if your account is debited. If your bank account/card is debited for the concerned payment amount, please do not make any attempt to pay again. However, if the concerned payment amount is not debited from your bank account/card, you have to again follow the procedure and make the payment and get payment confirmation note. In any case, make a note of reference/transaction details in case of net banking or card payment.
