

Career Services Department (CSD) continued its initiatives in career development and campus recruitment activities in the year 2021-22. The Cell has organized different activities to strengthen capacity of young talents and raise their confidence to meet the real life challenges. The Cell has organized several activities to enhance the employability and facilitate employment opportunities for the students enrolled in the university. A team of Young, Energetic, Go-getter, and Goal Oriented Professionals. The department functions round the year to achieve the dreams and goals of budding professionals at the University. The **Career Services Department** is an interface between the Industry and Academia to streamline the placement and related process for students. A strong Industry-Academia Interface is the **KEY** for the success of a department like CSD. The career services department predominantly takes care of four aspects

- 1. Industrial Visit**
- 2. Internship / Live projects**
- 3. Industry guest Talks & MOU**
- 4. Final Placements**

The role of career Services department is immensely important to establish this milestones year on year and create a sustainable model for all of our graduates in their future professional world. We strongly believe that classroom education is not enough to face the upcoming future challenges and whirlwind dynamics of the corporate world. Over few years we have been observing a great deal of changes in the disruptive corporate world and their recruitment patterns. Most of them are only looking at highly skilled manpower with innovative minds and readily deployable from day one. The team Career services consists of officials with varied industry connects are closely working on this space and integrating with academics to incorporate lots of good practices to address this needs.

There is a remarkable growth in industry connect programs by virtue of guest lectures by industry stalwarts, summer trainings & Industrial visits at some of the prominent industry hubs, a specialized intensive career development program, which itself is a big booster for students to shape up their career well before they graduate. We have been experiencing an encouraging growth in placements through our valued recruitment partners in last few years and added several top recruiting companies over a period of last few months, as a continuous outreach development program

We have created an environment to provide students a holistic development and exposure to real world corporate culture and working atmosphere. We train our students to be a right fit for corporate environment

Major accomplishments & Milestones achieved

- ✚ In the last Academic year division of schools took place and the entire courses were bifurcated in to six major schools(SOC, SOET, SOADP, SOLAM, SOPPHI, SOPS). The division was made to increase the focus on different schools and enhance the placements for different schools. The planning and execution of strategies for different schools is done by dedicated teams
- ✚ In this academic year, we have witnessed a mixed hiring pattern. Although most of the placement drives were conducted through virtual mode, due to pandemic but few companies did visit the campus. Career services department also shared several internship opportunities and live projects with students.
- ✚ Webinars and virtual connect sessions for industry academia collaboration and providing industry exposure to students were conducted. Career services also organized for job oriented technical trainings from specialized industry mentors to improve our placement conversions. The students also got benefited through several MOU's with different corporates across industry

This academic year (2020-21) ended with 181 (in process) companies in all the sectors like IT & ITES, Consulting, Banking & Finance Engineering services with multiple profiles, including many new recruiters

We generated 1075 offers in this session.
