PORTFOLIO MAKING- VAT-37

The Portfolio Making Training was conducted for students of **B.Arch - 3rd Year program**, the venue for the training was DIT University, SoAD Architectural Studio. It was conducted by the School of Architecture, Planning and Design, from 7-11-2022 to 27-11-2022 (Duration-32 Hrs) and the main speaker for the training was **Ar .Debeshi Chakraborty (Faculty- DIT University).**

OBJECTIVE:

A portfolio is one of the most important tools for an Architect or Interior Designer. It is a measure of the abilities and skills of the person to whom it belongs and tells the story of the design and thinking process through the works presented in it.

The communication of these skills is something that can be the deciding factor in your portfolio getting shortlisted for better opportunities or simply getting neglected. This communication is guided by various techniques and tricks of visual language and presentations. You will be able to decode these in this workshop and understand the process of making your portfolio attain the viewers' attention and stand out.

REQUIREMENT FOR WORKSHOP:

There's absolutely no prior experience required in the specifics of architecture portfolio to take this workshop.

The workshop is meant to provide you with comprehensive learning of the entire Architecture Portfolio Design process, starting from the basics and slowly advancing to achieve the international levels of acceptable portfolio standards.

Who can attend this workshop?

- Undergraduate students of architecture
