VAT-50 : InDesign Training

The Adobe In-design training was conducted for students of. B.Architecture & B.Design -1st & 2nd Year program respectively, from 13/12/2021 to 17/12/2021 (Duration-32 Hrs) , the venue for the training was DIT University, **SoAD-B.Design Studio**, It was conducted by the School of Architecture, Planning and Design, the main trainer for the training was **Mr. Rahul Kumar (Faculty DIT University)**.

OBJECTIVE:

The course should enable the student to documentation and editing and represent work and present them.

INTRODUCTION

InDesign is software for creating and editing page designing and layout arrangement tool used for arranging the contents in making posters, brochures, magazines, newspapers, books, presentations, and eBooks. It can also publish illustrations, graphs, tables, and other professional usages. High quality for both print and on-screen delivery was actually developed for the original magazine market; further, it has become the no1 application in the world for interactive developers, photographers, and designers to use anywhere to place content and images in any format. It integrates with the rest of the Adobe tools such as Photoshop, Illustrator and flashes professional users from any profession can design, preview, review and produce content quickly and efficiently. InDesign also works with word processors such as MS Word, Adobe InCopy to import text. Any designer can make interactive designs by using animation pre-sets and media options in InDesign CS5.

TRAINING OUTLINE:

The InDesign course is divided into modules. The module includes learn software and assignment related to software have to complete.
