Platform: Online on MS Team

Special classes for General Competition organized by Mathematics Learning Centre (MLC) in association of CDC and department of Humanities and Liberal Arts. The training duration was 60 hrs.

Introduction:

A career in Government Sector is one of the most lucrative and stable prospects for graduates. One needs to be good in Aptitude, Logic, General Awareness, English. Banking and allied services are the cornerstones of the modern economic structures. There is huge demand of talented professionals in this sector due to emerging the multiple private and public sector banks in the country. Job opportunities in the domain are available for graduates and with specialized degrees one can take on more high paying jobs in this sector. No matter the ongoing changes in the technology and the revolution taking place in the business industry, the only thing that has remained constant over centuries is having a career in the banking sector.

A student has to study quantitative aptitude, general awareness, reasoning, English and basic computer skills to crack the banking exam. Initially MLC will facilitate this opportunity to the second-year students of graduate program offered by School of Physical Sciences, and Department of Humanities and Liberal Arts. The centre will accommodate the research scholars of the Department of Mathematics, and Humanities and Liberal Arts to prepare the students for this competitive exam. The classes on the topics quantitative aptitude and basics of computer will be delivered by the department of Mathematics, syllabus of English language will be covered by department of Humanities and Liberal Arts, and CDC will take care of Reasoning and interview discussions.

Aims and objectives:

MLC is established to support the students facing difficulties in mathematics. Now, MLC is expanding his services to prepare the students for competitive exams. To start the classes for Bank PO is its first step in this direction.

- Prepare the students for banking exam.
- To improve the placement of graduating in science, and Arts.
- To motivate the students for graduate courses in science.
- Facilitating the students to get study material and practice papers for the banking exams.

Expected Outcomes:

Developing aptitude and attitude skills will be helpful to enhance logical thinking and behavioural skill which will eventually be helpful for overall development which is requirement of banking sector. Apart from this, expected outcomes are outlined as:

- It helped popularizing the core science courses among students.

CDC- Bank Course Plan

CDC has a comprehensive program designed to train students for various competitive exams, Banking is one of them. Banking is an increasingly popular choice of employment for fresh graduates and experienced professionals in India. Banks provide attractive salaries, a measure of job security and many benefits for their employees.

The CDC course specific for BANK PO (IBPS/RRB-Regional Rural Bank) has the following objectives:

- Interpret the questions of Aptitude objectively and understand the optimized approach of dealing with the actual exam problems.
- Identifying the strong and weak areas through the feedback report of the mock test conducting by CDC trainers so that the students can work to improve in highlighted areas.
- To make them learn ways of representing themselves effectively in formal settings.

Course Description Details:

- The IBPS Exam Pattern consists of objective type questions divided into three sections. The sections being: Quantitative Aptitude, Logical Reasoning, English Language, General Awareness (Current Affairs).

As assigned by Mathematics Learning Centre (MLC), CDC will take care of Logical Reasoning section along with the Interview and Personality Enhancement Skills. Course Description of Logical Reasoning and Personality Development Program is as follows:

Logical Reasoning: Alphanumeric Series, Ranking/Direction/Alphabet Test, Data Sufficiency, Coded Inequalities, Seating Arrangement, Puzzle, Syllogism, Blood Relations, Coding-Decoding, Data Sufficiency.

Personality Enhancement Program: The objective of this program was to prepare the students for the final round, i.e. Group Discussion (GD) and Interview, the CDC module covers basic communication skills, Group Discussion and Interview basics. Mock GDs and Interview will be scheduled as per the strength of the batch and students need.

General Awareness: Current Affairs, Static GK, Banking Awareness.
