## **2017-18**

**DIT UNIVERSITY**

**Mussoorie Diversion Road Dehradun, Uttarakhand-248009**

# Curriculum Feedback Analysis based on Engineering 2017-2018

1. Rate the syllabus of the courses studied in relation to the competencies expected out of the course.

Analysis : The analysis shows that maximum response belongs to Strongly Agree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
new programme B.tech CSE with specialization in machine learning should be started.	The new programmes with specialization in ML has started.	CSE ATR Recm. 1

2. Rate the curriculum of the program, which is designed as per the industry requirements.

Analysis : The analysis shows that maximum response belongs to Neither Agree Nor Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
The topic on connectivity model and JAVA Beans are to be replaced by networking & EJB Fundamentals in the course advance Java programing.	The replacement was done in the course advance Java programing.	CSE ATR Recm. 3

3. Rate the allocation of the credits to the courses in the course structure.

Analysis : The analysis shows that maximum response belongs to Agree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
Credits of the subjects engineering core, department core, electives should be reviewed.	Semester wise Review of the credits in course structure is done.	IT ATR Recm1. Item4.1.1

4. How do you rate the offering of the electives in terms of their relevance to the specialization streams?

Analysis : The analysis shows that maximum response belongs to Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
They suggested for further more deliberations in UG/PG academic committee meeting and academic council regarding the necessary electives for the course B.Tech Civil Engineering with specializations in Geoinformatics and Disaster Mitigations in order to intact the importance of core Civil Engineering. (Item no. 3.1)	It was taken into consideration and necessary changes were made.	ATR BTECH CE RECM. 3

5. How do you rate the electives offered in relation to the Technological advancements?

Analysis : The analysis shows that maximum response belongs to Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
To Rationalize and Correct the Course Structure some Electives Subjects been Offered in Existing Course Structure of ECE Branch.	The syllabi and study scheme is proposed and approved by all BOS members for 2018-19	ATR BTECH EECE RECM. 4

6. Rate the Size of syllabus in terms of the load on the student.

Analysis : The analysis shows that maximum response belongs to Neither Agree Nor Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
EMFT the topic transformer and motional electromotive force replaced by electromotive force.	The topic was replaced in the syllabus.	ECE ATR Recm. 2

7. Rate the courses in terms of extra learning or self-learning considering the design of the courses.

Analysis : The analysis shows that maximum response belongs to Neither Agree Nor Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
Replacing the subject building enterprise applications with introduction to system software is recommended.	The replacement of the subject was done.	IT ATR Recm. 1 item 7.2

8. How do you rate the evaluation scheme designed for each of the course?

Analysis : The analysis shows that maximum response belongs to Neither Agree Nor Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
The analysis shows neither agree nor disagree	not required	NA

**9. Practical examples quoted for explaining theoretical concepts taught in courses.**

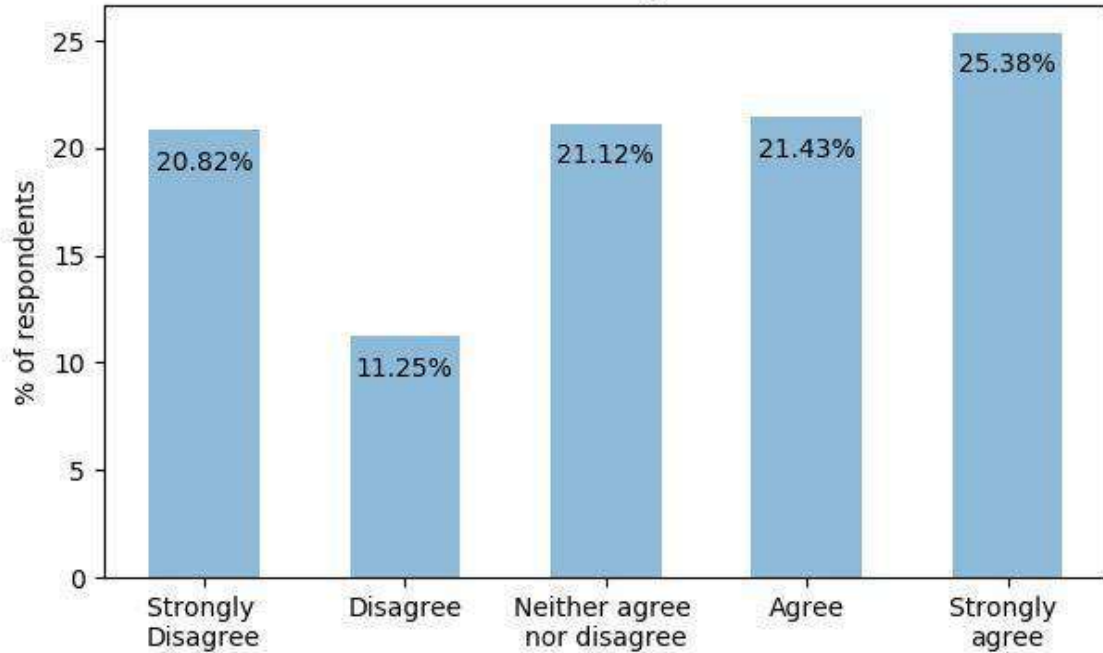

Analysis : The analysis shows that maximum response belongs to Agree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
The analysis shows neither agree nor disagree	not required	NA

10. Rate the use of ICT tools such as LCD projector, multimedia, etc. While teaching.

Analysis : The analysis shows that maximum response belongs to Strongly Agree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
The analysis shows neither agree nor disagree	not required	NA

**11. The experiments performed in lab courses enhanced the understanding of technical concepts and analytical capability.**

Analysis : The analysis shows that maximum response belongs to Disagree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
It was recommended that labwork and research can be improved by visiting external organization like IIP,ONGC.	In area of Oil & Gas testing , tribology ONGC and IIP were visited for necessary coordination.s	PE ATR Recm. 3

12. The doubts and problems related to the courses were resolved properly.

Analysis : The analysis shows that maximum response belongs to Agree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
It was proposed that in the course distributed computed computing tutorials classes should be added to clear the doubts.	In distributed computed computing structure changed from 3-0-0 to 3-1-0.	CSE ATR Recm. 5

**13. Some of the courses generated an awareness for issues like environment, ethics and social responsibilities.**

Analysis : The analysis shows that maximum response belongs to Agree

Recommendation and Action Taken

Recommendation	Action Taken	Reference
The analysis shows neither agree nor disagree	not required	NA
